Since your case sounds like a Superior Court case, you would have priority.

I will need the drug lab number(s) for the submitted drugs. This number can be found on both the evidence itself and on the drug certificate(s). The number is in the format "A12-#####" if it drugs were submitted in 2012, "A11-#####" in 2011, etc.

One last thing - I noticed that the email was also sent to Andrew Hanchett. I don't know his involvement in the case, but if it is about a drug analysis then you sent it to the wrong person. It should be James Hanchett.

Subject: Trial Scheduled-Hampden County
Good Afternoon,

I work with ADA Jane Mulqueen in the Hampden County DA's office. We have a trial scheduled for us to report ready for trial on Monday, January 14th (don't panic) that involves both of you. It is a mixed case involving both a sexual assault and drugs. I am looking to find out each of your availability after January 16th. Also, this case may result in a plea, but we still need to check out schedules in the event the defendant does not plead out.

Please let me know ASAP your availability after January 16th and if there is any information you need from me/ADA Mulqueen regarding the case (I am strictly an SVU Victim Advocate and the drug cases are foreign to me!).

Thank you for your time, and I apologize for the late notice.
Emily
